

## Please read this page before filling out your application.

Dear United States Military Veteran,

Honor Flight recognizes you for your military service and sacrifices to our nation by flying you to Washington, DC to see YOUR memorials at **no cost to you**. Honor Flight is a non-profit organization that provides veterans like you a trip of a lifetime. Our #1 objective is to ensure a safe, memorable, and rewarding experience to as many veterans as possible.

In order to accomplish this goal, we provide a specially trained guardian to accompany each veteran on the trip. Guardians pay their own way to spend this day with you. They are your companion for the day and will provide any needed assistance. Please consider this a small token of appreciation for what you and your comrades have given to keep our country free.

**Please note:** Honor Flight takes veterans in chronological history of US wars/conflicts. Top priority is given to WWII and those veterans from all wars with a terminal diagnosis from a physician. Korean War veterans are called by date of application received. In the future, Honor Flight will include Vietnam veterans. As we have a waiting list, it is important to turn in your application as quickly as possible.

A few things to keep in mind:

- Southeast Florida Honor Flight is a 100% volunteer organization. We receive hundreds of emails and phone calls each month. We do our best to respond to each of them in a timely manner; however, please understand we have limited manpower. If you contact us, expect some delay in our response. **We do not call to confirm receipt of your application.** If you want to check your status please send us an email or call. If you haven't received a response within a week please try again.
- Your spouse **cannot** go with you. Unfortunately, space is extremely limited and we simply do not have room for them.
- Whether or not you served in combat, we honor **ALL** veterans who served our nation during times of war.
